Headline:
Another chilly night, but warm again in the day tomorrow.

This Evening and Tonight:
This evening and overnight, skies remain clear, allowing for another chilly night, though remaining dry and fine. A few patches of morning frost for some, and possible fog patches in prone areas. Minimum temperature 0 deg C (32 deg F).

Sunday:
A chilly start, before sunshine and a little patchy cloud make for another warm day. Remaining dry throughout, but another chilly night ahead. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
Turning cloudy on Monday, but remaining dry through to Tuesday morning, before showers move in. Drier on Wednesday. Initially warm but turning cooler with a continued overnight frost risk.
